## SURROUNDED BY MYSTERY!

### A Great Mistake.

A recent discovery is that headache, dizziness, dullness, confusion of the mind, etc., are due to derangement of the nerve centers which supply the brain with nerve force; that indigestion, dyspepsia, neuralgia, wind in stomach, etc., arise from the derangement of the nerve centers controlling these organs of nervous fluid or force. This is likewise true of many diseases of the body. The nerve system is like a telegraph system, as will be seen by the accompanying cut. The little white lines are the nerves which carry the nervous force from the nerve centers to every part of the body, just as the nervous current is conveyed along the telegraph wires to every station. Some of our physicians fail to regard this fact; instead of treating the nerve centers for the cause of all the various diseases arising from them they treat the part affected.

Franklin Miles, M. D., LL. B., the highly celebrated specialist and student of nervous diseases, and author of many noted treatises on the latter subject, long since realized the truth of the first statement, and has based his practice on it. He is prepared on this principle. His success in curing all diseases arising from derangement of the nervous system is wonderful, and the many unsolicited testimonies in possession of the company manufacturing the remedy amply prove.

Dr. Miles' Restorative Nervine is a reliable remedy for all nervous diseases, such as headache, nervous debility, prostration, also, rheumatism, neuralgia, dizziness, etc. It is sold by all druggists on a positive guarantee, or sent direct by the Dr. Miles Medical Co., Mikart, Ind., on receipt of price \$1 per bottle, six bottles for \$8, express prepaid.

Restorative Nervine positively contains no opium or dangerous drugs.
